REMARKS

Reconsideration of the above-referenced application is respectfully requested in view of the above amendments and these remarks. Claims 1-6, 8-11, 13-17, 19 and 21-27 are currently pending.

In the Office Action, various terms were objected for not be defined. Applicants have amended claims 1, 21 and 27 to properly define the terms. In particular, Applicants have amended the claims 1, 21 and 27 to define I as the total number of communication services being provided and i as the service of the communication services for which the claim is operating. Applicants have further amended the listing of rating matching parameters to conform to the Specification and the use of the service frame error rate error rate to clarify the claim. Applicants respectfully contend that the amendment to claim 1 clarifies the meaning of the term I in claim 15. Applicants as also clearly defined the term TTI as used in claim 15 and 27.

As the Applicants have overcome all substantive objections given by the Examiner and have complied with all requests properly presented by the Examiner, the Applicants contend that this Amendment, with the above discussion, overcomes the Examiner's objections to of the pending claims. Therefore, the Applicants respectfully solicit allowance of the application. If the Examiner is of the opinion that any issues regarding the status of the claims remain after this response, the Examiner is invited to contact the undersigned representative to expedite resolution of the matter.
